

Model V1100, Scarifier

Cutting blade set ref. no. 371 92 401

When replacing the cutting blade set the guide washer ref. no. 293 95 28-01, the motor belt pulley ref. no. 293 95 27-01, blade shaft pulley ref. no. 293 95 26-01 and the drive belt ref. no. 293 95 29-01 should also be replaced if the machine is a 1992 model or order.

Older models with undamaged transmissions (belt, pulley, etc.) can be used if the pulley on the old blade shaft is fitted to the new blade shaft.

Compl. 293 98 25-01
