Subject: Mulch kit for IZT walk behind mower (539104730)

---

Models Affected: WH3615IZT- 968999237

Serial numbers Affected: all

---

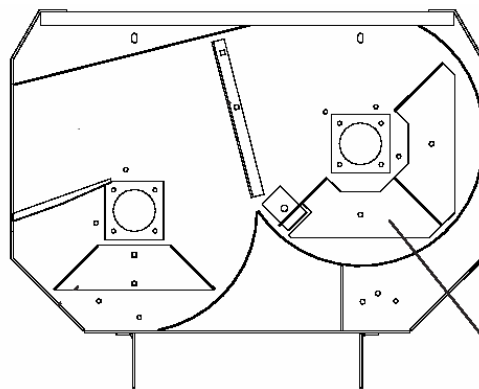

**Service Information:**

Interference between the left baffle and the bolt on the deck idler has been discovered, when mounting a mulch kit (539104730) on the 36 inch IZT walk behind. A modified baffle, part (539110083) can be ordered to allow proper installation for this series of 36 inch walk behind.

A new mulch kit # 539110084 has been introduced and is adaptable to gear walk 36" as well as 36" IZT units.

---

Warranty information: Warranty will be limited to the part cost for addition of the correct baffle (539110083)

Baffle number #539110083
